

# A UNIVERSE OF STORIES

## Summer Quest 2019

Your mission this summer is to join our league of adventurers by completing the Summer Quest. Read 10 hours and complete 10 activities to become a summer hero! You can read anything you want—silly books, magazines, blogs—if it has words, it counts! Activities can be attending library programs or they can be as simple as taking a walk in your neighborhood. Your reading log will have ideas. Victorious heroes will earn certificates for food from Chipotle, free books, and more! You can also earn beads for your accomplishments. Those who complete their mission win the chance to enter a raffle for a bike and other prizes!
