

10 Hours of Reading

Summer Quest 2019

Your mission this summer is to join our league of adventurers by completing this Summer Quest. Read 10 hours and complete 10 activities to become a summer hero! You can read anything you want—silly books, magazines, blogs—if it has words, it counts! Color in stars 15 minutes at a time or 1 hour at a time, however you'd like to keep track. Each planet (and the sun and poor dwarf planet Pluto) counts as an activity. Cross out each one as you complete an activity. Activities can be attending library programs or they can be as simple as taking a walk in your neighborhood. Flip this page over for a month of ideas! Adventure on!

Turn this log in at Walker Memorial Library for the prizes below.

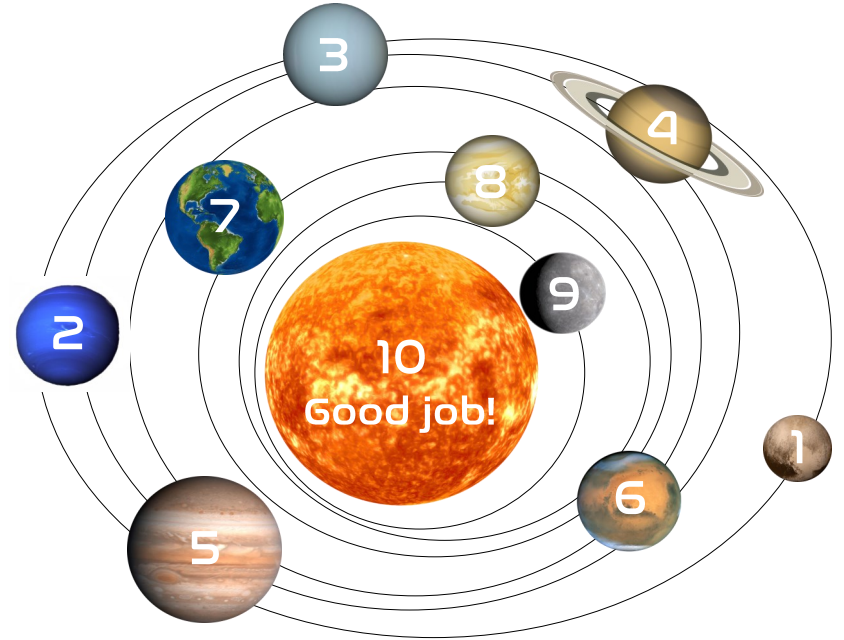

Prizes

- 5 hours read = Subway certificate
- 10 hours read = free book
- 5 activities done = treasure chest
- 10 activities done = Chipotle certificate
- Complete all = entered into a raffle for a chance to win a bike, movie tickets, and gift cards.

Read for Beads

Each activity you complete or hour you read also earns you a bead. The more you complete, the bigger your bead chain becomes. Design your star-studded bead chain this summer!
